Scottish Ladies' Step Dance uses many of the same steps and movements as Scottish Highland Dance, yet it has a softer, lower impact style. In the first half of our workshop, dancers will learn basic positions, and many standard combinations of movements. In the second half, dancers will learn a short step dance.

Kate has been enjoying Scottish Country Dancing and Scottish Step Dancing for over thirty years. She studied Step Dance at the RSCDS Summer School in St Andrew's as well as with Ron Wallace and other American teachers. Since 1990, she has taught a Ladies' Step class in her home near Philadelphia.
